A scientist in a white lab coat is shown from the chest down, standing at a laboratory bench. They are holding a tablet computer with their right hand, looking at the screen. The background is a bright, clean laboratory with various pieces of equipment like a microscope and pipettes visible but out of focus.

A photograph of three scientists in a laboratory setting. On the left, a man with dark hair and a beard, wearing safety glasses and a white lab coat, is holding a blue pipette tip. In the center, a man with light brown hair, wearing a white lab coat over a dark sweater and tie, is looking intently at the pipette. On the right, a woman with blonde hair, wearing safety glasses and a white lab coat, is also looking at the pipette. The background shows laboratory equipment, including a pipette on a stand and a control panel with a green and white logo. The entire image has a semi-transparent pink overlay.
